RULES & GUIDELINES -- NOTICE TO USERS

DOG SAFETY

THE SAFETY of dogs is our primary concern. By using the equipment, participants acknowledge that they are familiar with the sport of Dog Agility, and that their dogs are familiar with and able to perform all obstacles safely. We assume no liability.

USE OF THE PROPERTY

You are welcome to walk your dog(s) outside the agility ring and/or training building immediately before and after your rental session. However, we assume no liability. **There are ticks.** At times there are coyotes, deer, and other wildlife nearby.

DRIVING ON AREA ROADS: Please use caution when driving in the area. Roads are gravel and there are some tight curves. Animals are often on the roadways. As well as wild animals, there can be cattle and horses.

PARKING: There is a gravel parking area near the training building. If it is full, you may park in our driveway. We assume no liability for damage to your vehicle; nor will we pay any towing fees.

PORTA-POTTY: There are no washrooms (or running water) in the building. A Porta-Potty is provided for your use.

USE OF EQUIPMENT: Feel free to move jumps and tunnels to suit your practice session. Please do not move the Dogwalk or A-Frame. The teeter may be moved if there are two or more people assisting. **PLEASE REPORT ANY DAMAGED OR FAULTY EQUIPMENT. Again, do not move the contact equipment. We assume no liability for any injuries incurred while you are moving equipment.**

LESSONS: Instructional classes, lessons (group or private), clinics or seminars are NOT PERMITTED without prior approval.

EVENTS: Trials, fun matches, or similar events are **NOT PERMITTED** without prior approval.

CLEAN UP: A garbage can for poop bags is located outside the training building. Please try to avoid accidents in the ring. If they do occur, there is a spray bottle to be used for clean-up. Please do not litter and please take any garbage with you when you leave. **Please read the Potty Policy regarding accidents in the Building.**

WATER: Please bring water for yourself and your dog. Water is not available in the building.

NO SMOKING is allowed on the property.

NON-PARTICIPANTS: You can bring friends, family members, and/or other dogs to your training session (subject to the conditions outlined in the Waiver you sign). Your guests are not allowed to handle a dog in the ring without prior permission and payment of a rental fee. You or your guest(s) are not allowed to handle their dogs unless the dog is familiar with the equipment and we have granted approval for the dog prior to your rental time.

BEHAVIOR WHILE ON THE PROPERTY: Humane and positive training only is always to be practiced. No shock collars, choke or prong collars, no hitting, pinching, or other abusive practices, no throwing objects at dogs. No harsh or inhumane treatment will be tolerated on the property. Dangerous or inappropriate activities are prohibited. Aggressive, unpredictable, or uncontrollable dogs will be dismissed from the property without refund of the rental fee, and future rentals will be denied. Determination of unacceptable behavior is in the sole opinion of the owners of the property.

THE OWNERS MAY REVOKE RENTALS WITHOUT EXPLANATION. THESE RULES AND GUIDELINES ARE SUBJECT TO CHANGE AT THE OWNERS' DISCRETION AND WITHOUT NOTICE.

Procedures in Place During the COVID-19 Pandemic

We are trying very hard to offer a safe and enjoyable training experience. However, it will take the cooperation of everyone involved to succeed. As a result, we are implementing a list of rules in order to open the indoor facility. If you disagree with any of the new rules, please come back when things are back to usual.

COVID RULES:

1. STAY HOME IF YOU ARE FEELING SICK!!!! Here is the link to Ontario's COVID 19 Self-Assessment Tool: <https://covid-19.ontario.ca/self-assessment/>
2. Follow all Provincial and Municipal guidelines regarding COVID-19 precautions.
3. **DISINFECT YOUR HANDS REGULARLY.** Refrain from touching your face. Please use hand sanitizer when entering the building, before and after touching equipment, and again when you leave. Hand sanitizer will be available in the building. Remember to sanitize your hands when opening the door.
4. Please refrain from touching anything that isn't yours. Stay on guard against touching anything that may have been touched by others.
5. The building does *not* have an air ventilation system. **ALWAYS** maintain social/physical distance!
6. Masks are mandatory unless you are alone or when you are training your dog!
7. Gloves are an individual choice. Studies show frequent hand washing is better than gloves in many cases. If you do wear gloves be VERY aware of not touching things. If you prefer to wear gloves, you will need to bring enough pairs for the times you will need to wear them. Please dispose of them immediately after use.
8. Please bring your own chairs. Do not use any that may be in the building.
9. Allow time at the end of your rental period to wipe down jump bars and other equipment you handled. We recommend that you also wipe equipment before you begin your session. Wipes and/or disinfectant will be available in the building.
10. Do not enter the building if a prior rental is in progress. Please be considerate and leave when your rental time is up. **Do not get into arguments about rental times.** If someone cuts into your rental time report it to us and steps will be taken.

Be respectful to everyone! Be patient with everyone! Follow all precautions!
